

EASY ACCESS TO YOUR PERSONAL AND FAMILY IMMUNIZATION RECORDS

docket®

Track upcoming and overdue vaccinations. Add family to a shared Docket® account.

1. SET UP YOUR ACCOUNT

Download the free Docket® app. Login with email, Apple, or Google.

2. SEARCH STATE REGISTRIES

Note: your first name, last name, date of birth, and legal sex must match your state record. In addition, your record on file with the state must contain a valid email or phone number.

3. MANAGE YOUR RECORDS

Simple vaccine verification

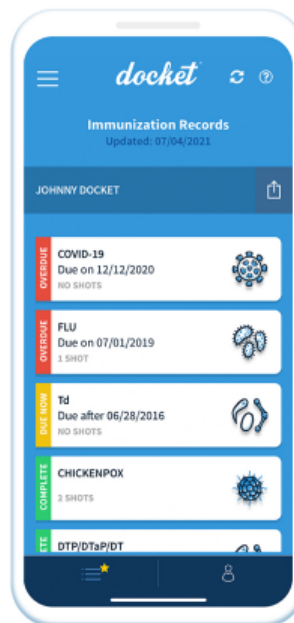

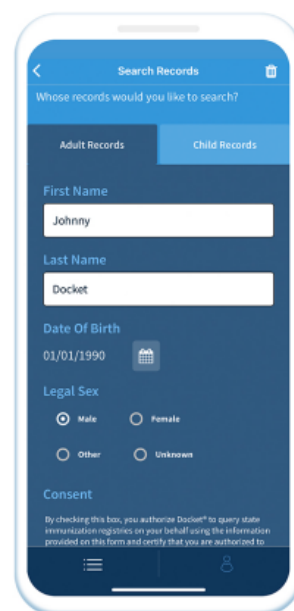

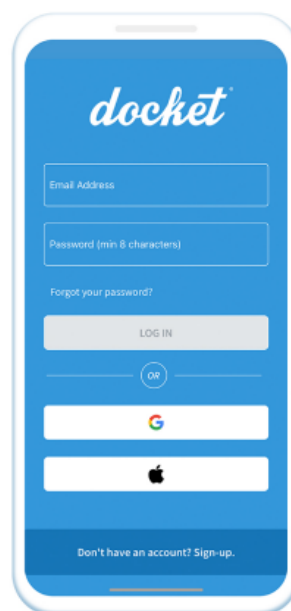

Select the QR code icon to access your SMART Health Card. Tap the standard share icon to access a PDF record.

Add family members

Tap the plus icon on the Immunization Search History screen to add your family to a shared Docket® account.

Easy record refresh

Got a new vaccine? Drag and release to refresh your records. Your new vaccine will automatically appear if it was correctly reported to the state.
